

# Thinking Cauliflowers? Think **ENZA** and **Terranova**

2020 - 2021  
PLANTING GUIDE

# Thinking quality Cauliflowers?

## Altair

Hybrid Cauliflower

- Medium/large frame with good swirling wrap
- Well protected curds, domed and very white
- Good weight and uniform maturity
- Good leaf disease tolerance.

## Crenique

Hybrid Cauliflower

- Medium-large framed cauliflower with a very upright growth habit
- Medium-sized, white curd with good tuck
- Well protected with a large swirling wrap
- Excellent uniformity.

## Estatique

Hybrid Cauliflower

- Large framed cauliflower suitable for a wide production window
- Upright growth habit
- Good leaf disease tolerance
- Curds are white, well wrapped and able to make large size
- Trials indicate suitable for autumn/spring cut in Southern states and winter production in Queensland.

## Moonshine

Hybrid Cauliflower

- Suited for Summer harvest in Southern Regions and autumn periods in Southern Queensland
- Upright frame with excellent curd protection
- Maturity 10-12 weeks
- Exceptional first cut potential
- Smooth white curds.

## Serenity

Hybrid Cauliflower

- Med-large framed variety with strong, swirling curd protection
- Dense and heavy, white curds with a good tuck
- Good tip-burn tolerance
- Strong field tolerance to verticillium
- Uniform maturity gives concentrated first cut.

### Additional comments and cultural notes

Trials to date indicate the variety is suitable for summer harvesting in the cooler Southern markets.

## TCF 8146

Hybrid Cauliflower

- Exceptionally uniform cut-out rate
- This variety produces well tucked, heavy curds
- Suitable for summer/autumn harvest in Southern markets and early summer and autumn harvest in Queensland
- Very good tip-burn tolerance
- Matures in 10-11 weeks
- Trial in Moonshine slots.

## Twistique

Hybrid Cauliflower

- Nice robust frame
- Develops heavy white dense curds
- Harvesting in Southern markets through late autumn and winter
- Reaches maturity in 14-16 weeks
- Curds are protected by neatly upright twisted leaves.
